# Notes to the financial statements for the year ended 31<sup>st</sup> March 2014

## **1. Corporate Information**

SUVI is a software development company and the main business of the Company is to carry out all business activities in computer and software development involving innovative technology solutions so as bring in efficiencies and empower the clients with the most advanced technologies to ensure optimal ROI. The Company is also engaged into some investment activities related with media operations.

## **2. Basis of preparation**

The financial statements of the Company have been prepared in accordance with generally accepted accounting principles in India (India GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under the Companies (Accounting Standards) Rules 2006, (as amended) and the relevant provisions of the Companies Act, 1956. The financial statements have been prepared on accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

### **2.1 Summary of Significant accounting policies**

#### **a) Presentation and disclosure of financial statements under new formats:**

For preparation and presentation of its financial statements in relation to the year ended 31<sup>st</sup> March 2014, the revised schedule VI notified under the companies Act 1956 has become applicable and as such the financials statements of the Company have accordingly been prepared.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule VI to the Companies Act, 1956. The Company has ascertained its operating cycle as 12 months for the purpose of current – noncurrent classification of assets and liabilities insofar it relates the nature of the Company's business.

*Sanjay*

*Sanjay*

**b) Use of estimates**

The preparation of financial statements in conformity with India GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

**c) Fixed Assets and Depreciation**

Fixed assets are recorded by the Company at the cost of acquisition and depreciated on written down value basis, at the rates prescribed in Schedule-XVI to the Companies Act, 1956.

As on 31<sup>st</sup> March 2014, Company does not carry any Block of Fixed Asset.

**d) Leases**

Assets acquired under finance leases are recognised as fixed assets. Liability is recognized at the lower of the fair value of the leased assets at inception of the lease and the present value of minimum lease payments. Lease payments are apportioned between the finance charge and the reduction of the outstanding liability. The finance charge is allocated over the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability and charge to the statement of profit and loss.

As on 31<sup>st</sup> March 2014, Company does not acquired any assets under Lease.

**e) Borrowing Cost**

Borrowing costs are capitalized as part of the cost of a qualifying asset when it is probable that they result in future economic benefits and the cost is measured reliably. Other borrowing costs are recognized in statement of profit and loss in the period in which they incurred.

**f) Impairment of tangible and Intangible assets**

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. The management carries out this exercise periodically and determines by applying various tests as to whether value of any asset has impaired to the point that the carrying amount shown in the financial statement is higher than the realizable value of the asset. In such circumstances, adequate provisions are made towards impairment and such provisions are charged to the expenses account.

*Jainpur*

*Rameshkrishna*

**g) Investments**

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

All investments are usually measured at cost.

Current investments are carried in the financial statements at lower of the cost and fair value determined in on an individual investment basis. Long term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the Investments. In context of the financial statements prepared for the year ended on 31<sup>st</sup> March, 2014, this diminution has been recognized in the period under reporting on account of the conversion of the investee company from Private Limited to Limited, and concomitantly the Company becoming a deemed Limited company.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

**h) Inventories**

Raw materials, components, stores and spares are valued at lower of cost and net realizable value. Cost of newsprint and cost of stores and spares is determined on first in first out basis.

Net realizable value is the estimated selling price in the ordinary course of the business, less estimated costs of the completion and estimated cost necessary to make the sale.

**i) Revenue recognition**

Revenues are recognized to the extent that it is probable that economic benefit will flow to the Company and revenue can be reliably measured. It is accounted for net of trade discounts.

**j) Foreign Currency transaction**

Foreign currency transactions are recorded in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

**k) Retirement and other employee benefits**

Retirement benefit in the form of provident fund is a defined contribution scheme. The contributions to the provident fund are charged to the statement of profit and loss for the year when the contributions are due. The Company has no obligation, as on 31<sup>st</sup> March 2014.

*Laupay*

*Sanjeev Gupta*

**l) Income taxes**

Tax expenses comprise current and deferred tax.

Current tax comprises Company's tax liability for the current financial year as well as additional tax paid, if any, during the year in respect of earlier years on receipt of demand from the authorities. For computation of taxable income under the Income Tax Act, 1961, accrual basis of accounting has been adopted and consistently followed by the Company.

**m) Segment reporting**

The Company is engaged primarily in software development, The Company also engaged into some investment activities related with media operations. However, these in the context of the Accounting Standard 17 on Segment Reporting prescribed by the Companies (Accounting standards) Rules, 2006 are considered to constitute single reportable business segment and single geographic segment. Accordingly no separate disclosure for primary or secondary segment is given.

**n) Earnings Per Share**

Earnings per Share (EPS) are computed on the basis of net profit after tax for the year. The number of shares used in computing basic EPS is weighted average number of shares outstanding during the year.

**o) Provisions and Contingent liabilities**

The Company recognized a provision when there is a present obligation as a result of past event, and a reliable estimate can be made of the amount of the obligation. Provisions are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

The liabilities or obligations, which cannot be crystallized but loom in horizon, are disclosed as contingent liabilities.

*Jayraj*

*Sameer Gupta*

**p) Cash Flow Statement**

Cash flows are reported using the indirect method, whereby net profit/ (loss) before tax is adjusted for the effects of transactions of a non-cash nature. The cash flows from regular revenue generating, investing and financing activities of the Company are segregated.

**q) Contingencies and Events occurring after the Balance sheet date**

All the contingencies and events occurring after the Balance sheet date which have a material effect on the financial position of the Company are considered for preparing the financial statements.

**r) Measurement of EBITDA**

Measurement of EBITDA- As permitted by the guidance note on the Revised Schedule VI to the Companies Act, 1956, the Company has elected to present earnings before Interest, tax, depreciation and amortization (EBITDA) as a separate line item on the face of the statement of profit and loss. The Company measures EBITDA on the basis of profit/(Loss) from continuing operations. In its measurement, the Company does not include depreciation and amortization expenses, finance costs and Tax expenses.
